RE: Spending Authorization

My spending authority is limited to \$10,000. The following items were included in our FY 2026-2027 budget request and I ask the Commission's approval to make the expenditures:

- The Commission is in its second year of its three-year contract with Westlaw. Monthly charges 7/1/26 – 6/30/27 will be \$1,329.58, for a total of \$15,951.12 for the fiscal year.
- We are in our fourth year of the 6-year lease for our office space. The cost for the upcoming fiscal year is \$8,722.58 per month, for an annual total of \$104,671.
- Each year, the Commission contracts with the Office of the Attorney General for the service of two Assistant Attorneys General to serve as Commission Advocates, and one paralegal. The contract amount covers salary and benefits for these three positions, as well as other associated costs such as travel, per diem, and litigation expenses. The anticipated base contract amount for the upcoming fiscal year is \$473,540.
- The litigation related to the Form 6 is ongoing and I will need to sign off on invoices related to the Office of the Attorney General's (OAG) representation of the Commission in President of Town Council Elizabeth A. Loper, elected official of the Town of Briny Breezes, et al. v. Lukis et. al. as well as Town of Briny Breezes, Florida et al. v. Lukis et al. The representation on this matter is paid under a different contract than the one we have in place for the Advocates each year. Invoices are paid out of the Commission's operating budget and, if necessary, using carryforward funds in the upcoming fiscal year.
