FLORIDA COMMISSION ON ETHICS

SWORN COMPLAINT

(Section 112.324, Florida Statutes)

I. COMPLAINANT

Name: Jackie Espinosa

Title: Mayor

Governmental Entity: City of Kissimmee

Address: 101 Church Street, Kissimmee, Florida 34741

Telephone: (407) 963-7710

Email: Jackie.Espinosa@Kissimmee.gov

II. RESPONDENT

Name: Janette Martinez

Title: City Commissioner

Governmental Entity: City of Kissimmee

Address: 101 Church Street, Kissimmee, Florida 34741

III. JURISDICTION

This sworn complaint is submitted pursuant to Section 112.324, Florida Statutes, alleging potential violations of the Code of Ethics for Public Officers and Employees, Chapter 112, Part III, Florida Statutes. The Florida Commission on Ethics has jurisdiction over the Respondent as an elected municipal officer.

IV. STATEMENT OF FACTS

1. At all times relevant to this complaint, Respondent Janette Martinez was a duly elected City Commissioner for the City of Kissimmee.
2. On March 1, 2025 at 11:28 AM through documentary evidence (EMAIL ATTACHED), Commissioner Martinez used her official City of Kissimmee email account to request the City's active procurement/vendor list. This list is maintained by the City in connection with its procurement, contracting, and vendor management processes.
3. After receiving the City's vendor list through her official City email account, Commissioner Martinez forwarded the vendor list from her City email account to her personal business email address, which is associated with her private, non-City business interests.
4. The City's active vendor list consists of individuals and entities that currently do business with, seek to do business with, or have procurement-related relationships with the City of Kissimmee.

5. At present, the Complainant does not allege or presume a specific improper use of the vendor list. However, the transfer of City procurement-related information from an official City system to a private business email account raises concerns regarding the potential use of City resources, access, or position for private or political benefit, or at minimum, the appearance of such misuse.
6. Vendors appearing on the City's procurement list may reasonably believe that elected City Commissioners possess influence over City policy, procurement decisions, or other official actions. Any solicitation or use of such information outside official City purposes risks placing vendors in a position where they may feel pressured or improperly influenced due to the Respondent's elected position.

V. APPLICABLE LAW AND POTENTIAL VIOLATIONS

Based on the facts stated above, Respondent's conduct may implicate, but is not necessarily limited to, the following provisions of Florida law:

1. Section 112.313(6), Florida Statutes — Prohibiting a public officer from corruptly using or attempting to use their official position or any property or resource within their trust to secure a special privilege, benefit, or exemption for themselves or others.
2. Section 112.313(8), Florida Statutes — Prohibiting the use of nonpublic information obtained through official position for personal gain or benefit.

The City's vendor list, while potentially subject to public records laws, is nonetheless a City-generated procurement resource accessed through the Respondent's official position and City email system. Forwarding such information to a private business email account may constitute, or create the appearance of, using City resources or access for non-City purposes.

VI. HARM TO PUBLIC TRUST

The City of Kissimmee places a high priority on ethical governance, procurement integrity, and public confidence in its elected officials. Even the appearance that a City Commissioner may be leveraging City procurement information for private or political purposes risks:

- Undermining public confidence in the City's procurement processes
- Creating reputational harm to the City of Kissimmee
- Eroding trust in the impartiality and integrity of City governance

For these reasons, this complaint is submitted to ensure transparency and independent review.

VII. REQUEST FOR RELIEF

The Complainant respectfully requests that the Florida Commission on Ethics:

1. Accept jurisdiction over this complaint.
2. Investigate and review of the Respondent's conduct as described herein;
3. Determine whether the Respondent's actions constitute a violation of Chapter 112, Florida Statutes; and
4. Provide appropriate findings, guidance, or enforcement as permitted by law.

This complaint is submitted in good faith and in an abundance of caution, without presumption of intent or outcome, and solely to protect the integrity and reputation of the City of Kissimmee and its governance processes.

VIII. VERIFICATION AND OATH

I, Jackie Espinosa, being first duly sworn, do hereby state that I have read the foregoing Sworn Complaint and that the facts stated herein are true and correct to the best of my knowledge and belief.

I understand that pursuant to Section 112.317, Florida Statutes, knowingly filing a false complaint with the Florida Commission on Ethics is a violation of law.

Signed:

Jackie Espinosa
Mayor, City of Kissimmee
