Complaint No. 20-116

ORDER FINDING PROBABLE CAUSE

Based on the preliminary investigation of this complaint and on the recommendation of the Commission's Advocate, the Commission on Ethics finds that there is probable cause to believe that Respondent, as the City of Pahokee City Manager, violated Section 112.313(6), Florida Statutes, by using the City-issued credit card for his own private benefit, or the benefit of others, in violation of the City's credit card policies and directives, the City's travel policy, the City's rules and regulations, and State of Florida laws. Therefore, the Commission orders a public hearing as to whether the Respondent violated Sections 112.313(6), Florida Statutes.

A formal notice of hearing of the matter on which probable cause has been found will be prepared and sent to the Respondent and to the Advocate. Under Commission Rule 34-5.020, Florida Administrative Code, the Commission may resolve a complaint proceeding through a stipulation, settlement or consent order entered into by the Respondent and the Commission's Advocate and approved by the Commission. If the Respondent wishes to pursue a settlement of this case, he should contact the Commission's Advocate at (850) 414-3300 to discuss the terms of a possible settlement.
