Dear Commission Members and Staff:

I respectfully request a correction to the factual information contained in the **Supplemental Report of Investigation and the Advocate's Recommendation**.

I have **never been evicted**. My prior landlord sold the residence, and I was given 30 days to relocate.

Because I have waived confidentiality, I respectfully ask that the record accurately reflect these facts so that incorrect information concerning me is not made public.

Thank you for your consideration and attention to this correction.

Respectfully,
Janette Martinez
