Financial Disclosure Appeal No. FD 20-072

Final Order No. XXX

FINAL ORDER

This matter came before the Commission on Ethics on its own motion during its meeting in public session on October 23, 2026, pursuant to Section 112.3145(8)(g), Florida Statutes, (subsequently renumbered to Section 112.3145(8)(f)) which assesses an automatic fine of \$25 per day on a person who fails to timely file a required CE Form 1, Statement of Financial Interests. The Commission may waive the fine in whole or in part for good cause shown, based on "unusual circumstances" surrounding the failure to file by the designated date. There are no matters in dispute. Appellant did not request a hearing.

Findings of Fact

1. According to information provided to the Commission, Appellant served as a member of the Board Member for the New Port Tampa CDD, a position requiring the filing of a 2019 CE Form 1, Statement of Financial Interests. In 2020, the designated due date for submitting a 2019 CE Form 1 was July 1, 2020, with a grace period ending on September 1, 2020.

2. No later than June 1, 2020, the Broward County Supervisor of Elections sent Appellant a 2019 CE Form 1. This notice was sent to Appellant at 401 E Las Olas Blvd, Ft Lauderdale, FL 33301. It appears that on June 1, 2020, the postal service marked the mailing as "RETURN TO SENDER INSUFFICIENT ADDRESS UNABLE TO FORWARD."

3. No later than August 1, 2020, the Broward County Supervisor of Elections sent Appellant a notice of delinquency by certified mail. This notice was sent to Appellant at the 401 E Las Olas Blvd address, and it appears this mailing was also marked by the postal service as "RETURN TO SENDER INSUFFICIENT ADDRESS UNABLE TO FORWARD."

4. On September 9, 2020, the Commission on Ethics mailed Appellant a courtesy notice of fines accruing. This notice was also sent to the 401 E Las Olas Blvd address.

5. On July 20, 2021, the Commission mailed Appellant a Notice of Assessed fine. The notice was sent by mail to the 401 E Las Olas Blvd address. It indicated the total of Appellant's accrued automatic fine was \$1,500 (\$25 per day for up to 60 days late) and provided that the Commission must receive an appeal of the fine by August 19, 2021.

6. On May 19, 2025, the Commission received Appellant's 2020 CE Form 1 by email.

7. On June 3, 2025, the Commission received Appellant's appeal of his automatic fine for Form Year 2020 by email. In part B of his appeal form, Appellant checked "Lack of notification- failure to receive notice" as the general reason for his appeal. In part C of his appeal form, where an appellant is asked to provide a detailed explanation of his or her appeal, Appellant wrote that he never received any of the notices sent to him. Appellant explained that the notices were sent to his office address (the 401 E Las Olas address), but because the required suite number was not included in the address, he did not receive them.

Conclusions of Law

8. The Commission has jurisdiction over the subject matter of this proceeding pursuant to Section 112.3145, Florida Statutes.

9. Financial disclosure is required of public officials and employees because it enables the public to evaluate potential conflicts of interest, deters corruption, and increases public confidence in government.

10. Section 112.3145(8)(g)3., Florida Statutes, (subsequently renumbered to Section 112.3145(8)(f)(2)) states:

Any reporting person may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and is entitled to a hearing before the commission, which may waive the fine in whole or in part for good cause shown. Any such request must be in writing and received by the commission within 30 days after the notice of payment due is transmitted. In such a case, the reporting person must, within the 30-day period, notify the person designated to review the timeliness of reports in writing of his or her intention to bring the matter before the commission. For purposes of this subparagraph, the term "unusual circumstances" does not include the failure to monitor an e-mail account or failure to receive notice if the person has not notified the commission of a change in his or her e-mail address.

11. Pursuant to Rule 34-8.215(4), F.A.C., "unusual circumstances" means uncommon, rare or sudden events over which the reporting individual had no control and which directly result in the failure to act in accordance with the filing requirements. Circumstances which allow for time in which to take those steps necessary to assure compliance with the filing requirements shall be deemed not to constitute unusual circumstances.

12. Here, although Appellant's appeal is untimely, the notice of his appellate rights was sent by mail to the same address that the prior notices regarding his Form were sent to. Considering the merits of the appeal, Appellant stated that he did not receive any of the notices, and explained that the required suite number for his office address was not included in the mailings sent to him. In materials provided by the Office of the Broward County Supervisor of Elections, it is clear that the mailings sent to Appellant, which did not include a suite number in the address, were returned

to that office as not deliverable. There is no evidence to dispute Appellant's claims. Considering Appellant's claims, and that there is no evidence showing otherwise, there are "unusual circumstances" here that justify waiving the \$1,500 fine.

Order

Based on the foregoing facts and conclusions of law, the Commission hereby finds that unusual circumstances for failure to file have been demonstrated. We therefore waive the assessed fine of \$1,500.

ORDERED by the State of Florida Commission on Ethics meeting in public session on October 23, 2026.

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location. To determine what category your position falls under, see page 3 of instructions.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.) Form 1 filers who file with the Supervisor of Elections may file by mail or email. Contact your Supervisor of Elections for the mailing address or email address to use. Do not email your form to the Commission on Ethics, it will be returned.

State officers or specified state employees who file with the Commission on Ethics may file by mail or email. To file by mail, send the completed form to P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Rd, Bldg E, Ste 200, Tallahassee, FL 32303. To file with the Commission by email, scan your completed form and any attachments as a pdf (do not use any other format), send it to CEForm1@leg.state.fl.us and retain a copy for your records. Do not file by both mail and email. Choose only one filing method. Form 6s will not be accepted via email.

Candidates file this form together with their filing papers.

MULTIPLE FILING UNNECESSARY: A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

WHEN TO FILE: Initially, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying papers.

Thereafter, file by July 1 following each calendar year in which they hold their positions.

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2019.

MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**

(2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(6), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies; utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

(End of Dollar Value Thresholds Instructions.)

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s), but income from these public sources should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived

more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**,
- (2) You received more than 10% of your gross income from that business entity; **and**,
- (3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145, F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

NOTICE OF ASSESSMENT OF AUTOMATIC FINE

The Commission on Ethics hereby gives notice of an assessment of a fine against you pursuant to Section 112.3145(8)(g), Florida Statutes, due to your failure to timely file your 2019 CE Form 1, Statement of Financial Interests. Under the law, your 2019 CE Form 1, Statement of Financial Interests, was due by July 1, 2020. The law provided for a penalty-free grace period extending the due date to September 1, 2020. After that date, you accrued fines of \$25.00 per day for each day your financial disclosure was late, up to the maximum fine of \$1,500.00 (60 days late), pursuant to Section 112.3145(8)(g), Florida Statutes.

Inasmuch as your 2019 CE Form 1 has not been filed with the Supervisor of Elections for Broward County within the 60 days of the grace period date (September 1, 2020), you have accrued the maximum fine amount of \$1,500.00. This fine must be paid to the Commission on Ethics within 30 days of the date of this notice unless you appeal the fine to the Commission. The Commission has the authority to consider the appeal and waive the fine in whole or in part if your failure to file on time was due to "unusual circumstances" surrounding the failure to file. Unless the fine is successfully appealed, the Commission is required to investigate public officers and employees who receive the maximum \$1,500 fine, to determine whether their failure to file was willful. The penalty for willfully failing to file disclosure is removal from public office or employment.

HOW TO APPEAL

1. Read these instructions carefully before submitting your appeal.
2. **LEGAL AUTHORITY:** Appeals are governed by Section 112.3145(8)(g)3., Florida Statutes, and Commission Rule 34-8.215, Florida Administrative Code.
3. **FORMAT:** Your appeal must be in writing and mailed to Florida Commission on Ethics, P. O. Drawer 15709, Tallahassee, FL 32317-5709, or delivered to Florida Commission on Ethics, 325 John Knox Road, Building E, Suite 200, Tallahassee, FL 32303. The appeal may take the form of a letter or you may use the appeal form included in this mailing. The appeal form also is available at the Commission's website: www.ethics.state.fl.us. Click on "Financial Disclosure" and then the link to the sample appeal form.
4. **DUE DATE:** Your appeal must be received by the Commission on Ethics on or before **August 19, 2021**.
NOTE: Failure to timely file an appeal will constitute a waiver of your right to appeal and will result in the entry of a default order against you.
5. **UNUSUAL CIRCUMSTANCES:** An appeal must demonstrate that you submitted your CE Form 1 after the extended due date because of "unusual circumstances." "Unusual circumstances" is defined in Commission Rule 34-8.215(4), Florida Administrative Code, as "uncommon, rare, or sudden events over which the reporting individual had no control and which directly result in the failure to act in accordance with the filing requirements." Therefore, circumstances that allowed for time to take steps necessary to file on time do not constitute "unusual circumstances" that will allow the Commission to waive the fine. You have the burden to establish "unusual circumstances." Your appeal must specifically state the circumstances that led to your not filing by September 1, 2020, and must include any documentation or evidence supporting your appeal, such as:
 - a. **SICKNESS/INJURY:** a statement from attending physician, including dates and nature of the illness or injury;
 - b. **LACK OF NOTICE (WRONG ADDRESS):** documentation that you did not reside at the address to which notice was sent;

- c. **LACK OF NOTICE (ABSENCE FROM HOME):** documentation establishing the period of time of your absence covering the notification period;
 - d. **CLAIM OF TIMELY FILING OF FINANCIAL DISCLOSURE:** (1) an affidavit from you attesting under oath or affirmation that you filed your financial disclosure and your recollection of when and how you filed and (2) a copy of a certified mail receipt and/or a copy of the completed form which was filed. If you have witnesses to your filing, we also will need an affidavit from each witness. **NOTE:** A claim of having filed the CE Form 1F for the current year does not satisfy the CE Form 1 filing requirement or excuse a late filing;
 - e. **LEFT PUBLIC POSITION BEFORE DECEMBER 31, 2019:** confirmation of your last date of office or employment by your former agency, showing the last date to be before December 31, 2019; or
 - f. **UNCLAIMED CERTIFIED MAIL:** if delinquency notice was addressed correctly but not received, you must explain why.
6. **YOUR RIGHT TO A HEARING:** You have the right to have your appeal heard by the Commission and to appear before the Commission at the hearing, but, to exercise this right, you must specifically request a hearing in your appeal. If you do not request a hearing, you will waive your right to a hearing, the Commission will determine the outcome of your appeal based upon the written record (including the documentation you provide and any documentation in your case file), and you will receive no further notice until after the Commission decides your appeal.

FAILURE TO PAY FINE OR FILE APPEAL WITHIN 30 DAYS

If you do not timely file an appeal or pay the assessed fine within 30 days of this Notice, a default order will be entered against you and the Commission will take the steps provided by law to collect the fine, including:

- Referral to the CFO of the Department of Financial Services, if you are a salaried state officer or employee, for withholding of a portion of your salary until the fine is satisfied; or
- Referral to your agency's governing body for withholding of a portion of your salary until the fine is satisfied;
- Referral to a collection agency, which can seek garnishment of your wages; and/or
- An additional civil penalty, not limited by this automatic fine, may be imposed if your disclosure statement is filed more than 60 days late and a complaint is filed against you pursuant to Section 112.324, Florida Statutes.

Please contact our office if you have any questions about this matter.

RE: In re David Michael D'Ambrosio 243555, Financial Disclosure Appeal No.: FD 20-072

The Commission has received your appeal. We will send all subsequent correspondence in this matter to you at the email address on record and/or mailing address unless you notify us of a change in your address.

The following information is to help you understand the process your appeal will follow. Please note: If you are currently being investigated for willfully failing to file financial disclosure, your appeal may not be heard until that process is complete. If we received your appeal more than 30 days after we sent you the notice of your right to appeal, it may be denied on that basis. Otherwise, the following will apply:

Initially, Commission staff will review your appeal and any documentation you submitted. We may contact you for more information. A draft order will then be prepared and agendaed for a Commission meeting. The Commission meets approximately every six weeks. How soon your appeal will be heard depends on a number of things, including when it was received and the Commission's workload. If you requested a hearing before the Commission when you filed your appeal, you will be provided with a copy of the draft order and will be notified of the date and time at which your appeal will be heard. At this meeting, the Commission will rule on your appeal. A final order will be entered and provided to you, usually within a week of the Commission meeting. If the fine is not waived, we will consider flexible payment options.

If you have any questions about this appeal or the appeal process, please feel free to contact Kimberly R Holmes, Program Administrator, at (850) 488-7864.

Do not reply to this email as it is generated automatically and electronically and cannot accept electronic replies.
